About EOG Resources, Inc.

EOG Resources, Inc. (EOG) is headquartered in Houston, Texas. EOG is one of the largest crude oil and natural gas exploration and production companies in the United States. EOG operates gathering pipelines, which collect energy resources from production areas. EOG is committed to responsible and safe exploration, production, and operating practices. Respect for the environment and a focus on adherence to sound health, safety and environmental practices are important facets of EOG's corporate culture and reflect a company-wide commitment to the communities where EOG operates.
